Went to Bureau of Census to talk
AT with [] about light table
modification.

They have the money for it and will begin
modification immediately (?). Expect to have
it completed by the end of next week.

(14th Oct.)

When it is done they will call us & I will
go over to pick it up.

Also talked with [] about []
accessories for light table. Census has ideas
on how to accomplish the design but nothing
on paper yet. They say they are bogged down
with 1970 census work on them.
